

320W LED Driver

Specifications

Type	Constant Voltage
Amps	26.7A/13.4A (12V/24V)
Maximum Load	320W
Minimum Load	N/A
Input Voltage	84-264V AC
Output Voltage	12V/24 DC
IP Rating	IP20
Length(mm)	215mm
Width (mm)	115mm
Height (mm)	30mm
Warranty	5 Years
Certification	CE, RoHS
Brand	Mirrorstone

Product Description

Powering large numbers of LED lights is no longer a problem thanks to our brilliant 320W LED Driver from Mirrorstone Lighting.

Available in both 12V and 24V constant voltage variants, you can power up to 320W worth of lights off this one driver!
