

### 3ft Linear High Bay Light

#### Product Description

If you have a large space that requires some bright illumination, then take a look at this 3ft Linear High Bay Light from Mirrorstone.

Ideal for use in a large warehouse or industrial environment, this fantastically bright commercial fitting will transform how you work. It produces 19500 lumens of light while only using 150W of power – the equivalent of a 1500W halogen light. This will be sure to lower your lighting bills so you can spend less.

With an IP65 Ingress Protection, you can be rest-assured that it will be guarded against water. Being IP65, it is completely dust tight and will be shielded from light jets of water from any direction.
