

ReadyLED Fitted LED Downlight (Tilt) (3W, 5W 7W, 9W, 12W)

Introducing ReadyLED

The **ReadyLED** range of downlights has had a new facelift, with efficiency being the focus. They have a new heat sink, with higher quality materials being used to dissipate heat at a quicker rate than ever before. The actual lights inside manage to generate even more light from the same low energy usage, ensuring a more eco-friendly fitting.

	3W	5W	7W	9W	12W
Finish	Satin Chrome				
Brightness (Lumens)	260 lm	430 lm	600 lm	800 lm	1000 lm
Equivalent Wattage	40W	50W	60W	70W	80W
